

March 1959.

PETITION

THE FOLLOWING SIGNATURES OF QUALIFIED VOTERS- in the State of Virginia- do here by petition the Governor and the General Assembly of Virginia to so change our State Constitution as to abolish the public school system, as we now know it, and to establish and maintain private schools which are segregated. Hence, we favor the repeal of Article 9 and also section 129 of the State Constitution. We urge that this be done immediately- or as soon as possible.
