

**Petition of the Meherrin to the Governor, 1723**

to the most honorable Governor of a very  
a yet shen from the mehren Engles to  
your most honorable kindness and excellency  
wee your Engles have need for to complai  
to your most honorable kindness for our Land  
is all taken from us and the English do  
say that they will come and take our corn  
from us that wee have made in our  
corn feldes and wee cannot live at rest  
Except your most honorable kindness do  
order sum thing to the contrary for  
Wee are your most abject subjects and  
Will bee to his most Excellent  
Majesty and under your most  
honorable command in hope of soon  
relief by your most honorable kindness  
September the 9 Day 1723
